

MEDIA KIT – OMAR ALYAFI

Author Photo

Medium Bio

Omar Alyafi is a Syrian entrepreneur and writer whose work examines how dictatorship shapes ambition, trust, and human behavior. His writing helps readers understand the hidden psychological patterns left by authoritarian systems—and how to break free from them.

Long Bio

Omar Alyafi is a Syrian entrepreneur and writer whose work exposes how dictatorship silently shapes the business mind, ambition, and human behavior. Drawing from lived experience and years of observing authoritarian environments, he writes to reveal the psychological scars people carry long after leaving such systems. His mission is to help readers recognize the invisible patterns that control their thinking—and break them.
